

USIBRAS

Usina Brasileira de Óleos e Castanha Ltda.

ENVIRONMENTAL POLICY

Acting in an environmentally responsible manner preventing pollution and meeting the applicable legal requirements and norms seeking to minimize the impacts of its industrial activity on society.

USIBRAS GOALS

- 1- Comply with environmental legislation and other requirements applicable to our processes, products, and service.
2. Respond quickly and effectively to incidents that result from their operations by cooperating with industry organizations and authorized government agencies.
- 3- Adopt appropriate management practices to efficiently use natural resources in industrials, controlling waste generation in a sustainable manner.
- 4- Promote awareness and training of its employees so that they can contribute to the commitment of environmental policy.
